

# COVERING AMERICA

A Narrative History of a Nation's Journalism

Christopher B. Daly

## SUGGESTED READINGS

Compiled by Christopher B. Daly

The following is a compilation of materials I have found particularly useful in the study of journalism history. They are grouped here by medium. The largest group, books, is presented within broad historical periods, in the hope of making it easier for readers to pursue these topics in greater depth.

### Books:

#### Anthologies:

Library of America series:

- Reporting World War II (2 vols)
- Reporting Civil Rights (2 vols)
- Reporting Vietnam (2 vols)
- Writing New York (Lopate, Phillip, ed., 1998)
